

## ...FIFTH ANNUAL DICKSON COUNTY FAIR TO BE HELD OCTOBER 4, 5, 6 AND 7...

### UNION REVIVAL IS NOW IN PROGRESS

Evangelist Delivering Strong  
Messages.—Service For  
Men Only, Sunday.

The series of revival meetings, which began here last Sunday morning at eleven o'clock in the large tabernacle located on the corner of Main and Murrell, and which is being conducted by Dr. Newton S. McClurkin, one of the Middle West's noted evangelists, is growing in interest with each service.

A very good audience was present at the opening service Sunday morning, notwithstanding there were services at two of the local churches at that hour, while at the evening service the crowd overflowed the tabernacle. The crowds have not been quite so good since, due to threatening thunder storms and unsettled weather, generally, but nevertheless, great things are expected.

Dr. McClurkin is delivering some very able, logical, interesting and helpful sermons daily, 3:00 and 7:45 p. m., and is laboring might and main for the cause of righteousness in Dickson and surrounding community. Cottage prayer-meetings will be organized in the different sections of the town Sunday. Also, a Business Men's prayer-meeting will be arranged to meet daily, and no doubt these organizations will aid greatly in helping Dickson experience the religious awakening that she should.

Miss Lillian Estes, of Los Angeles, Calif., who is spending her va-

cation with Dr. and Mrs. McClurkin on their evangelistic campaign, is delighting the audience each

evening with her whistling program of sacred music. She has won world-wide fame in the whistler's world, having been under the instruction of some of the most talented whistling artists of this country. She imitates the notes of the many birds, giving the sweetest trills with absolute perfection. Her imitation of the mocking bird is so true to reality that she is often referred to as "the Mocking Bird Whistler of the Pacific Coast." Dickson is indeed glad to have Miss Estes in its midst.

Sunday will be a busy day for the Evangelist. Besides the regular services at 11 a. m. and 7:45 p. m., there will be a service for men only at 3 p. m. The subject of his discourse will be "The Twentieth Century Sodom." Every man, both old and young, in Dickson is especially urged to attend this service.
